RacKustoms

Dear Rick,

Thank you for the Service you provided us over the past two years. Building the first of its kind deck for our business in Canada you have exceeded our expectations in quality and creativity. This was a challenging project and huge undertaking but we really appreciate the service you provided us with. We have been now operating this deck on our chassis for 2 seasons and it performs exactly as we imagined. We will happily send our future builds to you.

Warm regards,

Paul Turczyk
